CHC50121 Diploma of Early Childhood Education and Care HIGHER LEVEL SKILLS

This qualification further enables you to explore your potential as a leader in the early childhood context. If you already have a Certificate III in Children's Services, you may wish to upgrade to this Diploma. On completion of this course you may wish to seek employment as a Qualified Group Leader or Family Day Care Coordinator, or elect to continue on to the Advanced Diploma of Children's Services, or a University degree in Education or Community Services.

The Diploma of Early Childhood Education and Care qualification reflects the role of early childhood educators who are responsible for designing and implementing curriculum in early childhood education and care services. In doing so, they work to implement an approved learning framework within the requirements of the Education and Care Services National Regulations and the National Quality Standard. They may have responsibility for supervision of volunteers or other staff.
